

Living Wisdom School Application

(Jr. High/High School)

“Education for Life is a system of education that will prepare children for meeting life’s challenges, and not only fit them for employment or for intellectual pursuits...the true goal of the education we receive during our school years must be to help prepare us for that lifelong learning process.” Education For Life

Dear Friend,

Education for Life (EFL) is a revolutionary system of education. If you have not done so, we encourage you to read the book entitled Education For Life by J. Donald Walters. This may help you more fully appreciate the program we will be offering your child.

In Divine Friendship,
Living Wisdom School Staff

section
(Pages 3-4)**

"Adolescence, when approached and understood rightly, is a wonderful time, rich with some of life's greatest opportunities for self-development." EFL

Thank you for your interest in our school. For the questions below there are no wrong answers. We only ask that you be honest and open. This application is for placement purposes only and will not be attached to your permanent school records.

Each student in our junior high and high school has made an independent decision to enroll. We would like to hear why *you* would like to attend Living Wisdom School?

What were your favorite and most difficult school experiences over the past two years?

Below are several distinguishing features of Living Wisdom High School. Rate your level of support for each item on a scale of 1- 10 (1= you cannot support this and 10= you strongly support this).

- _____ Spending most of your time in an all-boy or all-girl classroom
- _____ Deepening and expanding your friendships
- _____ Being open to student/teacher discussions about relationships, including boy-girl relationships
- _____ Earning part of your tuition (amounts vary according to grade level)
- _____ Developing an awareness of the effects of violent video games and turbulent music
- _____ Setting standards of dress based on neatness, cleanliness, and modesty
- _____ Attending school in an substance-free community
- _____ Committing 4 hours out-of-school time to develop an expertise (running, music, etc)

What are your favorite extracurricular activities? (Include sports, musical instruments, and leisure time activities) If you have none, please explain why.

What are your spiritual interests?

“Servicefulness is a wonderful quality, and one too little appreciated in this age of aggressive self-affirmation. There is joy in the expansive consciousness of forgetting oneself in the thought of a larger good.” EFL

How do you feel about daily meditations with your classmates and teachers?

What kinds of music do you listen to and what effect does it have on you?

Describe any ways you help around your home and/or community.

What kinds of adventures have you been on? _____

Describe the qualities you like most about your friends. _____
