	\$20,000	
	<u>Ninth – Twelfth Grade Full Boarding</u>	
	\$24,000	

---

### Payment Options

Tuition may be paid all at once, or monthly, due on the fifteenth of each month, for ten months, August to May.

### Scholarships

A limited amount of scholarship money is available on the basis of need. Financial documentation required.

### Tuition Adjustments

Families need to be able to pay a good portion of their tuition in cash to keep the school operating. It is possible, however, to receive reduced tuition that is made up for by working for the school in various ways that save us money. This type of financial help requires the same financial documentation as scholarship money.

The following deadlines apply to your situation. \_\_\_\_\_
